Report Cards

When report cards have been posted to the student portal, it will appear as a PDF file under “Published Reports” on the top right-hand side of the page.

Open the PDF file and view the report card.

Important: Please save the PDF to your computer or print the report card. This will be the **only** report card you receive, and it will only be available on this platform for **3 weeks**.

If your child is eligible for an Honour Roll Certificate, it will be delivered to your email within a month after the Report Card goes out.

Honour Roll Criteria

Honour Roll will be calculated each semester, using final marks for semestered courses and average marks for year-long courses.

NOTE: Students are not eligible for Honour Roll if they do not carry a full course load.

- Students must have a 72.5 or higher average
- Students may not have a failing grade in any class
- Students must have a G or an S in the work habit column for all courses (an N work habit will disqualify you)
- Students must have a minimum of three courses to qualify. (Exception for students whose third class has no marks in that term (musical theatre, junior leadership, etc.)
- Distributed learning or online courses that are completed within the semester will be included in the calculation if the mark is available when Honour Roll is calculated.
